Bruce/Sarah:

The preliminary determination on designation of parts of Los Alamos County as a MS4 requiring a permit was signed late Friday. I understand Bill Honker already touched bases with your upper management this morning, so I am giving you copies of the documents (including the pre-publication Federal Register Notice). The documents will be going up on our web page for proposed permit notices soon and the FR notice should go out in 7-10 days and start a 30 day public comment period. As soon as our External Affairs folks have made some Congressional notifications, we will be able to alert Amigos Bravos, LANL, NMDOT, and Los Alamos County that the letters are on the way.
